Equality Statement

Green Park Village Primary Academy is committed to the principle of equal opportunities for all. We operate an inclusive curriculum, which respects the diverse needs of every child.

This statement demonstrates our commitment to ensure full access to the progression through the curriculum for all pupils. In addition, it acts as a positive focus when considering matters of school management and organisation.

We encourage the development and promotion of positive attitudes through the implementation of a curriculum which is broad and balanced, thus enabling all pupils regardless of ethnicity, gender, ability or special educational needs, to have full access to the curriculum.

We believe that by acknowledging, valuing and understanding our similarities and differences that members of our society will play an active role in contributing to our future society. The academy's values and the REAch2 touchstones, and in particular our positive learner attitudes, are at the heart of all we do.

We recognise that prejudice can, and does, exist at all levels in our society. However, it will not be tolerated at any level within our academy.

We value all our children at Green Park Village Primary Academy and recognise the positive contribution each child can make in enriching and enhancing the ethos of our academy and wider community.

This is an annual statement made on behalf of the Local Governing Body by the Head Teacher.

Context

Green Park Village Primary Academy is new school in Reading, a highly populated, expanding and culturally diverse town in Berkshire. The academy has been built to serve a brand new community within a new and expanding housing development situated within the business hub of Reading. The academy is also local to other housing developments, built without a school. Social housing will form part of the offering on all local new developments. Green Park will shortly have its own railway station, linking to Reading and then into London via mainline and TfL train lines and this is within five minutes' walk of the school.

Green Park Village Primary Academy is a two-form entry primary school with future capacity for a Nursery provision. The school opened in September 2020 residing in its permanent building from the start. The stunning new building completed became home to two small Reception classes. Each year the school welcomes a new Reception cohort, growing year on year to a capacity of 420 learners.

Touchstones

The Cornerstone of REACh2 is a solid, unshakeable foundation, defined by exceptional teaching experiences and shared 'Touchstone' values of learning, leadership, enjoyment, inclusion, inspiration, responsibility and integrity.

These 'Touchstone' values are at the very core of the Trust and exude at Green Park Village Primary Academy, being embraced by leaders, teachers, staff, parents and children alike.

Vision and Aims

Our Vision and Aims

'Enabling Excellence for Exceptional Futures'

We aim for learners to be exceptional as people and learners, ready for the next stage of their futures:

- Successful learners who enjoy learning, make progress and achieve;
- Confident individuals who are able to live safe, healthy and fulfilling lives;
- Responsible citizens who make a positive contribution to society.

We will work together towards being an exceptional school:

- Where all children consistently achieve of their best- no limiting factors;
- Where all children develop high self esteem and self confidence, being able to make informed choices and to have high aspirations for their futures;
- That reaches out to further support the needs of our evolving community.

Values

Linking in to our vision, our school's values lie around the theme of 'GRIT'- aiming to be exceptional through passion and perseverance to long-term goals. This is the aim of the school team working together for our children and will be our aims for our children- to be exceptional as people and in their lives.

At Green Park Village Primary Academy our GRIT core values, which will become the attitude of our school community are:

- Giving and gratitude
- Resilience and readiness
- Integrity and inspiration
- Trust and teamwork

Fundamental British Values

As part of the value system, the academy actively promotes and encourages the fundamental British Values which permeate through all aspects of school life. These are:

- Democracy;
- The Rule of Law;
- Individual Liberty;
- Mutual Respect;
- Tolerance of those of different faiths and beliefs.

These values are regularly promoted through high quality teaching, a rounded programme of collective worship and assemblies and a positive behaviour policy. This provision allows learners to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. As well as teaching our learners, our active promotion of these values also means we challenge learners, staff or parents who express contrary opinions.

Our duties

At Green Park Village Primary Academy we welcome our duties under the Equality Act 2010.

The Local Governing Body of Green Park Village Primary Academy is committed to promoting equality and diversity and eliminating discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.

By recognising and appreciating individual needs and differences the school will be broadly representative of the communities it serves, and be a place where children and staff will thrive – physically, mentally, socially, and spiritually.

We aim to advance equality of opportunity, and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This will be achieved by implementing equal opportunities and diversity practice across the three dimensions of the School: as an employer; an educator; and a resource of the local community.

We will ensure that the whole school community is aware of the Equality & Diversity Statement and our published equality information and objectives, by informing parents that they are published on our website and in our school prospectus.

Green Park Village Primary Academy is committed to meeting its public sector statutory duties as detailed below. We understand that the duties apply to service delivery and employment and staff management as well as policy development and implementation.

The purpose of this information is to set out how our practice and policies have due regard to the need to:

- **eliminate discrimination**, harassment, victimisation and any other conduct that is prohibited by or under this Act
- **advance equality of opportunity** between persons who share a relevant protected characteristic and persons who do not share it

- **foster good relations** between persons who share a relevant protected characteristic and persons who do not share it.

- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- improving the availability of accessible information to disabled pupils

How we meet our legal and general duties

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

Publish equality information

No information will be published which could specifically identify any individual child or adult.

Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

We will use the information collected to:

- evaluate how well we comply with all our duties under the Equality Act
- assess the potential and actual impact of policies and procedures
- decide where positive action may be appropriate
- identify priorities, set equality objectives and update our accessibility plan
- monitor progress towards meeting these objectives and implementing our accessibility plan
- inform future action

Our objectives will detail how we will ensure equality is applied to the services listed above; however, where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

Core Statements

In fulfilling our legal obligations, we will be guided by seven core statements:

- All learners are of equal value
- We recognise, welcome and respect diversity
- We foster positive attitudes and relationships, and a shared sense of belonging
- We observe good equalities practice, including staff recruitment, retention and development
- We aim to reduce and remove existing inequalities and barriers
- We consult and involve widely
- We strive to ensure that society will benefit

Addressing Prejudice Related Incidents

Our academy is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice to prevent any incidents. If incidents still occur, we address them immediately and report them to the Local Authority using their guidance material. We report all incidents to REAch2 as they occur and in termly summary.

Chain of accountability

The Local Governing Body, supported by the Head Teacher and staff, is responsible for ensuring the implementation of this scheme. The Head Teacher retains overall responsibility for ensuring that the action plan is delivered effectively. Each term, managers and key staff will report to the Head Teacher on actions and progress.

Governors will discuss the impact of the Equality Information and Objectives annually as part of the policy review. All staff are responsible for delivering the scheme both as employees and as it relates to their area of work.

Evidence of this engagement is included in our published material that shows how the duty has been addressed.

This includes:

Commitment to review

The school's Equality Scheme is aligned with the School Development Plan. Its implementation is monitored within the school's self-evaluation and other review processes (the Senior Leadership Team and Local Governing Body) as well as being updated at least annually. Following this regular impact assessment, the whole equality scheme will be reviewed at least every four years. We will publish information annually on the school website and in our school prospectus.
