Green Park Village Primary Academy- Curriculum Overview- Medium Term Plan (MTP)

English- handwriting Practising long-legged giraffe letters, one armed robot letter and curly caterpillar letters Practising zig zag monster letters Writing words zz Mixing all of the letter families Practising all of the capital letters Practising all of the numbers 0-9 Writing words with ck and qu Practising long vowel phonemes ai, igh, oo Practising vowels with adjacent consonants ee, oa, oo	Practising long-legged giraffe letters, one armed robot letter and curly caterpillar letters him here ladybird robot doll	Practising zig zag monster letters Writing words zz z, v, w, x dazzle sizzle drizzle blizzard pizza	Mixing all of the letter families very having walk dozing texting	Practising all of the capital letters Practising all of the numbers 0-9 0-zero 1-one 2-two Etc.	Writing words with ck and qu quiz clock question lucky queen	
Maths Number: Addition and Subtraction (within 20) Number: Place Value within 20	Place value (within 20)	Place value (within 20)	Place value (within 20)	Addition and subtraction (within 20)	Addition and subtraction (within 20)	
Maths- Foundational Facts	Double numbers to 10	Halve even numbers to 10	Double numbers to 10 and halve even numbers to 10	Double numbers to 10 and halve even numbers to 10	Identify odd and even numbers to 20	Identify odd and even numbers to 20
Science Building with Materials Distinguish between an object and the material from which it is made. Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock. Describe the simple physical properties of a variety of everyday materials. Compare and group together a variety of everyday materials on the basis of their simple physical properties.	Identify and name a range of everyday materials.	Distinguish between an object and the material from which it is made.	Know the properties of different materials.	Identify suitable materials for a purpose.	Identify suitable materials for a purpose.	Understand what weather is. Make observations about the weather in Winter and transition to Spring and how it makes us feel. Gather data based on what they see.
History The lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods – Mary Seacole and Florence Nightingale.	Understand the significance of nurses, past and present	Understand the influence of Florence Nightingale and Mary Seacole on hospital practice today. Know who Mary Seacole and Florence Nightingale were	Understand the influence of Florence Nightingale and Mary Seacole on hospital practice today. Know who Mary Seacole and Florence Nightingale were	Understand the influence of Florence Nightingale and Mary Seacole on hospital practice today. Understand transportation from the past Understand how nursing has changed over time	Understand how nursing has changed over time Understand the significance of nurses, past and present Understand nursing roles in different time periods	Understand the influence of Florence Nightingale and Mary Seacole on hospital practice today.
Geography						

Green Park Village Primary Academy- Curriculum Overview- Medium Term Plan (MTP)

Art and design Self portrait- Drawing Pablo Picasso	Know why Emma Bridgewater developed from creating a simple design by hand to using moulds and stamps for mass production. Know which pot would be best to sell in an Emma Bridgewater shop and why.	Know what I like about a piece of art and why Know that colours come in different shades	Know what happens if you add more or less of a colour Know how to make a target colour Know different ways of mixing colours using different techniques	Know which colours compliment each other Know which colour is a preference and which colours will be used for a piece of art in the style of an artist	Know how to make a concentric pattern using a range of shapes Know what happens when different thicknesses of brushes are used Identify improvements for own work after viewing the work of others and praising a feature of it	Know how to select and mix colours to create a piece of artwork in the style of Wassily Kandinsky
Design and Technology						
Music Dynamics (Theme: Seaside) Make links between music, sounds and environments and use percussion, vocal and body sounds to represent calm or stormy seas.	Understand how music can be used to represent an environment	Understand how music can be used to represent changes in an environment	Explore using instruments, body and voice to create a sea soundscape	Identify how dynamics can reflect environments	Create and represent sounds using symbols	
Computing Unit 3 Programming A- moving a robot	Explain what a given command will do Predict the outcome of a command on a device Match a command to an outcome Run a command on a device	Act out a given word Follow an instruction Recall words that can be acted out Give directions	Combine forwards and backwards commands to make a sequence Compare forwards and backwards movements Start a sequence from the same place Predict the outcome of a sequence involving forwards and backwards commands	Combine four direction commands to make sequences Compare left and right turns Experiment with turn and move commands to move a robot Predict the outcome of a sequence involving up to four commands	Plan a simple program Explain what my program should do Choose the order of commands in a sequence Debug my program	Find more than one solution to a problem Identify several possible solutions Plan two programs Use two different programs to get to the same place
PE PE Hub Send and return Unit 2 Dance Unit 2	Send and return Unit 2: Send the ball over a net to our partner	Send and return Unit 2: Track and stop a moving object with both hands	Send and return Unit 2: Know why different muscles are important when playing games	Send and return Unit 2: Send balls accurately from different positions- sitting, kneeling	Send and return Unit 2: Spot space on a playing area and hit a ball there	
	Dance Unit 2:	Dance Unit 2:	Dance Unit 2:	Dance Unit 2:	Dance Unit 2:	

Green Park Village Primary Academy- Curriculum Overview- Medium Term Plan (MTP)

	Perform actions to well-known nursery rhymes	March in time to the beat and turn while marching	March in time as a group	Perform actions in canon (one after the other)	Perform a short dance using canon	
RE Enquiry: Who is God to the Jews? Theme: The special relationship Jews have with God. Judaism	Identify a promise and understand that trust is important when making an agreement	Say how some important Jewish beliefs began	Retell the story of how Judaism began and say that Jews believe in one God	Talk about the Ten Commandments and explain the rules that Jews believe God wants us to live by	Explain why agreements are important and why they should be kept To tell a story about Abraham and Moses and say why these men are important to Jewish people today	Create a set of rules to help us live a happy life
PSHE and Citizenship Dreams and Goals Setting goals Identifying successes and achievements Learning styles Working well and celebrating achievement with a partner Tackling new challenges Identifying and overcoming obstacles Feelings of success	Know how to set simple goals Know how to achieve a goal	Know how to identify obstacles which make achieving their goals difficult and work out how to overcome them	Know how to work well with a partner	Know that tackling a challenge can stretch their learning	Know when a goal has been achieved	
Visits/ visitors						
REAch2 11 before 11 Promises	Create Something Amazing
