	guidance Using the prefix un–						
English-handwriting Numbers 10-20 spacing Practising ch unjoined Introducing diagonal join to ascender ch Practising ai unjoined Introducing diagonal join, no ascender ai Practising wh unjoined Introducing horizontal join to ascender wh Practising ow unjoined Introducing horizontal join, no ascender ow	Numbers 10-20 Practising ch unjoined	Introducing diagonal join to ascender: ch. Practising unjoined ai	Introducing the diagonal join, no ascender – ai Practising wh unjoined.	Introducing horizontal join to ascender wh Practising ow unjoined.	Introducing horizontal join, no ascender ow	Introducing horizontal join, no ascender ow	
Maths Number: Multiplication Fractions Geometry: Position and Direction	Multiplication and division: Counting in 2s, 10s, 5s	Multiplication and division: Recognise equal groups, adding equal groups, make arrays	Multiplication and division: Make doubles, Equal groups – grouping, equal groups - sharing	Fractions: Recognise a half of an object or a shape, find a half of an object or shape, recognise a half of a quantity, find a half of a quantity	Fractions: Recognise a quarter of an object or a shape, find a quarter of an object or a shape, recognise a quarter of a quantity, find a quarter of a quantity	Geometry: Position and direction, describing turns, right and left positions, ordinal numbers	
Maths-Foundational Facts	Count forwards and backwards up to 100	Find 1 more/ 1 less of any number to 100	Count in 2s	Count in 5s	Count in 10s	Count in 2s, 5s and 10s	
Science Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees Identify and describe the basic structure of a variety of common flowering plants, including trees. Identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals	Identify the purpose of parts of a plant and why we need them. Observing closely and identifying parts using simple equipment.	Identify and name wild plants and their importance. Identifying and classifying based on observable features.	Identify and classify garden plants and compare them with wild plants. Comparing and grouping based on similarities and differences.	Identify the main parts of a tree and classify trees in our local area. Identifying and grouping based on observable features.	Identify ways we can improve our local environment and choose a positive action. Using observations to make simple decisions and explain choices.	Take part in improving our environment by planting and caring for seeds. Observing change over time and recording processes.	
History Significant historical events, people and places in their own locality	To identify historically significant locations in our area	Understand a historical location in our area. Use artefacts to tell us about the past.	Understand how places change.	Know about significant individuals in the area.	Understand how trade has developed in the local area.	Understand the life and achievements of local individuals.	

Green Park Village Primary Academy- Curriculum Overview- Medium Term Plan (MTP)

			Put key events of Huntley and Palmer on an accurate timeline.	Understand why Huntley and Palmers were significant.	Understand how Huntley and Palmers shaped Reading.		
Geography							
Art and design Manipulative Magic – Sculpture William De Morgan	Know how clay is made. Know what items are made of clay and what they used for. Know about the work of William De Morgan.	Know the different appearances and textures of different tiles.	Know where tiles are used in the school environment and identify what they are used for. To know what happens to the properties of clay when adding water, leaving out in the air (through exploring and experimenting).	Know through exploring how to create different patterns and textures using available tools. Know which tools could be used when sketching design idea.	Know how to sculpt planned design using dough. Know how to give positive feedback on others' work. Know how to self-evaluate and identify own improvements.	Know how to produce a final piece, taking on board feedback and self-evaluation, using clay and selected tools.	
Design and Technology							
Music Pitch (Theme: Superheroes) Learning how to identify high and low notes and to compose a simple tune to represent a superhero.	Identify high and low pitched sounds	Explore pitch by creating two-pitch patterns	Demonstrate tempo changes	Create a superhero tune with a variety of tempo and pitch	Perform and piece of superhero music showing a change of pitch and tempo		
Computing Unit 5 Creating media- digital writing	Use a computer to write Open a word processor Recognise keys on a keyboard Identify and find keys on a keyboard	Add and remove text on a computer Enter text into a computer Use letter, number, and space keys Use backspace to remove text	Identify that the look of text can be changed on a computer Type capital letters Explain what the keys that I have learnt about already do Identify the toolbar and use bold, italic, and underline	Make careful choices when changing text Select a word by double-clicking Select all of the text by clicking and dragging Change the font	Explain why I used the tools that I chose Say what tool I used to change the text Decide if my changes have improved my writing Use 'undo' to remove changes	Compare typing on a computer to writing on paper Make changes to text on a computer Explain the differences between typing and writing Say why I prefer typing or writing	
PE PE Hub Run, Jump, Throw- Unit 1	Run, Jump, Throw Unit 1: Start and stop moving at speed	Run, Jump, Throw Unit 1: Use our arms when	Run, Jump, Throw Unit 1: Take off on two feet to jump for distance	Run, Jump, Throw Unit 1: Use correct technique to throw	Run, Jump, Throw Unit 1: Show improvement in our throwing	Run, Jump, Throw Unit 1: Take part in a competition using	

Green Park Village Primary Academy- Curriculum Overview- Medium Term Plan (MTP)

Hit, Catch, Run- Unit 1		running at different speeds		different objects for distance		running, jumping and throwing skills	
	Hit, Catch, Run Unit 1: Select a space to throw or roll a ball into	Hit, Catch, Run Unit 1: Track and collect a rolling ball	Hit, Catch, Run Unit 1: Catch a ball to stop an opponent from scoring	Hit, Catch, Run Unit 1: Use our hands to hit a ball	Hit, Catch, Run Unit 1: Run between bases to score points	Hit, Catch, Run Unit 1: Work as a team to score points	
RE Enquiry: Is Shabbat important to Jewish children? Theme: Shabbat	Talk about my favourite day of the week and say why it is special	Retell the creation story and how it relates to the Sabbath	Explain how Shabbat is celebrated	Talk about why a Jewish family might go to a synagogue to celebrate Shabbat	Say what happens on Shabbat and why Shabbat might be important to Jewish children	Explain why having a regular time of peace or rest might be good for me and others	Explain why having a regular time of peace or rest might be good for me and others
PSHE and Citizenship Relationships: Belonging to a family Making friends/being a good friend Physical contact preferences People who help us Qualities as a friend and person Self-acknowledgement Being a good friend to myself	Know that everyone's family is different Know that families are founded on belonging, love and care Know that there are lots of different types of families	Know how to make a friend	Know that physical contact can be used as a greeting	Know who to ask for help in the school community Know about the different people in the school community and how they help	Know the characteristics of healthy and safe friends	Celebrating my special relationships
